SITONCE

PTCE 2026 practice review

A one-page worksheet for the free 90-question timed mock

Before you start

90 questions in 110 minutes; 80 count toward this practice score, 10 are unscored pacing items.
This is a Sitonce practice paper. It does not predict an official PTCB scaled score.

1 Record your domain result

Use the report after you submit the mock

Official 2026 PTCE content weights are shown for context.

Domain	Outline weight	This mock	My result
Medications	35%	28 scored	____ / 28
Federal Requirements	18.75%	15 scored	____ / 15
Patient Safety and Quality Assurance	23.75%	19 scored	____ / 19
Order Entry and Processing	22.5%	18 scored	____ / 18

2 Review three misses

Pick errors that would change your next study session

Question	What went wrong? (concept / reading / calculation / time)	Retest date
Q ____		
Q ____		
Q ____		

3 Choose one next step

Weakest domain or subtopic: _____

Source or lesson to revisit: _____

My next practice date: _____ Time remaining: _____

Practice score ≠ official scaled score.

PTCB sets 1,400 as the passing scaled score; it does not publish one universal raw-score cutoff.
